## NRO DECLASSIFICATION/RELEASE INSTRUCTIONS ON FILE

MEMORANDUM FOR: Director of Special Activities

SUBJECT:

Training Report Recommendations  
25X1A2g 25X1A9a

REFERENCE:

Training Report  
10 May-25 November 1970 dated 4 December 1970

1. Listed below are the coordinated comments of OSA D/OPS, IDEA, AMS, SS and COMPT personnel on the eight (8) recommendations listed in reference.

2. Comments herein are aligned to reference by subparagraphs (a - h):

a. Value of language training.

Discussion: Incoming [REDACTED] selectees are and have been required to have a minimum English proficiency rating of three (3) on a scale of five (5). If a higher rating (3+ or 4) is required then language criteria may become an increasing factor in [REDACTED] selection for the program in lieu of the necessary motor skills and individual flying techniques essential to good flying discipline and operations.

25X1A2g

Recommendations: Retain English proficiency requirements at the three (3) scale. Continue language training but accomplish such training at [REDACTED] as part of the syllabus. English language training should be conducted by personnel of the Agency Interpretation Staff in lieu of the Berlitz Language School. If difficulties arise in obtaining qualified instructor personnel from the Agency, then arrangements to conduct language training by Berlitz personnel at [REDACTED] should be explored. (If approved, ACTION: IDEA)
